

So you have your Month 6 BOHO Heart Packet . . .
Let's get started!!!

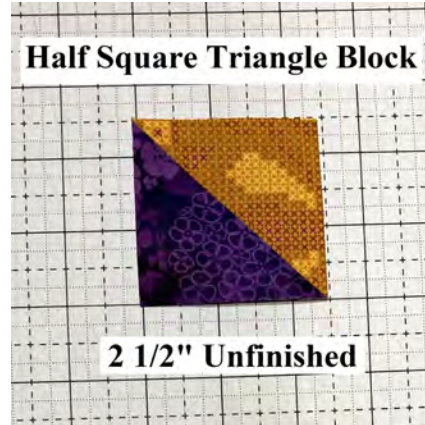

Using the cut squares and the [Half Square Triangle Block Directions from Month 1](#) make your 2 blocks. The Half Square Triangle Block will be measuring 2 1/2" x 2 1/2" unfinished. And save the second Half Square Triangle Block, we won't use it today, but we will use it in Group 3 Section 5 to form the bottom of the heart ;)

We'll start with our first block, and it's one we have already done, the . . .

Half Square Triangle Block

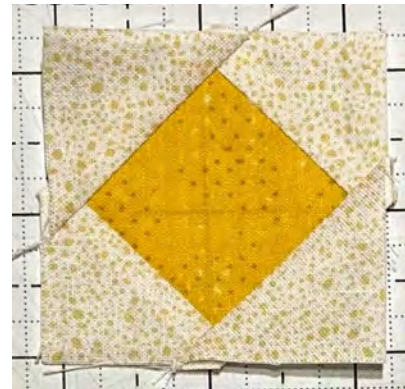

From your Month #6, Half Square Triangle bag, cut the fabrics according to page 1 of the supplemental cutting list. I cut my squares 3" instead of the 2.875" and will trim.

And now we can move onto another familiar block,

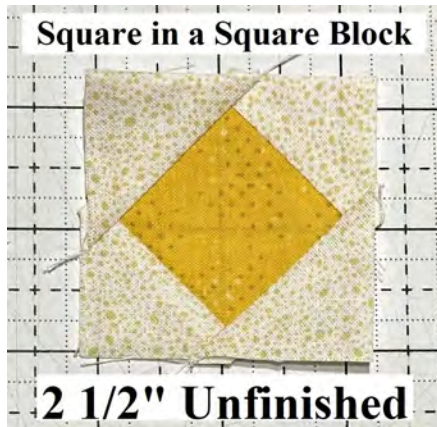

Square In A Square Block

From your Month #6, Square in a Square bag, cut the fabrics according to page 1 of the supplemental cutting list.

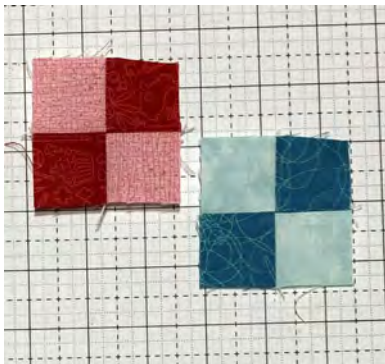

Using the cut pieces and the [Square in a Square Block Directions from Month 1](#) make your block.
 The Square in a Square Block should be measuring 2 1/2" x 2 1/2" unfinished.

And with that done, we will move onto a final familiar block, the . . .

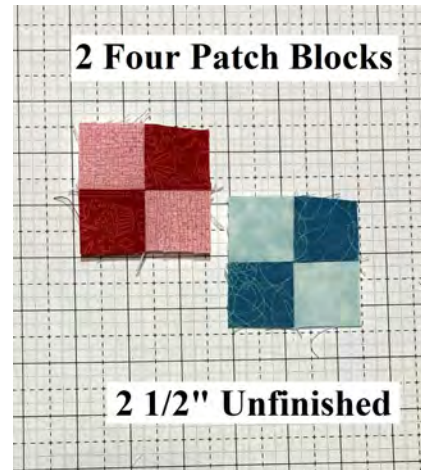

Four Patch Block – 2 Blocks

From your Month #6, Four Patch Bag, cut the fabrics according to page 1 of the supplemental cutting list. Also, if you are using the "Gold Fillers" instead of the patchwork fillers, cut your Gold Filler. But please note - The gold filler should be cut at 2 1/2" x 8 1/2", even though the cutting directions say 8", be sure to add that extra 1/2" ;)

Using the cut pieces and the [Four Patch Block Directions from Month 2](#) make your block. The Four Patch Blocks should be measuring 2 1/2" x 2 1/2" unfinished.

And now we get to move onto a new block, the . . .

Little Checkerboard Block

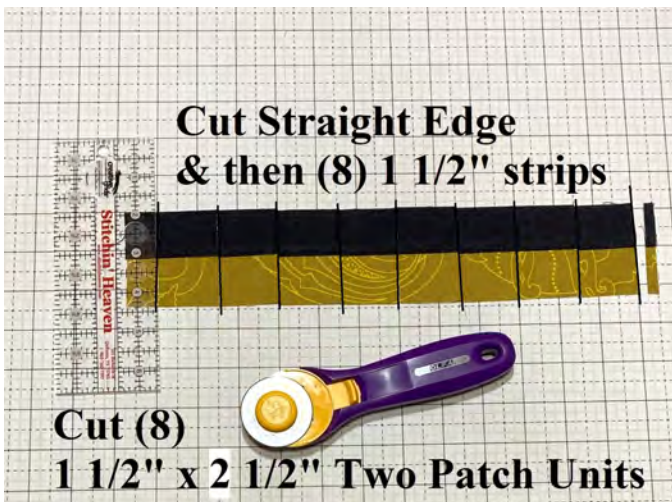

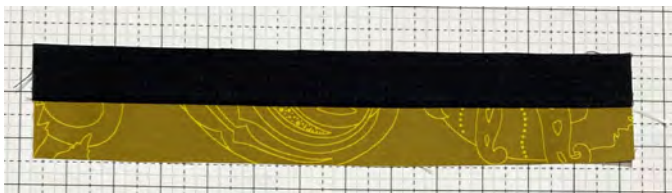

From your Month #6, Little Checkerboard bag, cut the fabrics according to page 1 of the supplemental cutting list.

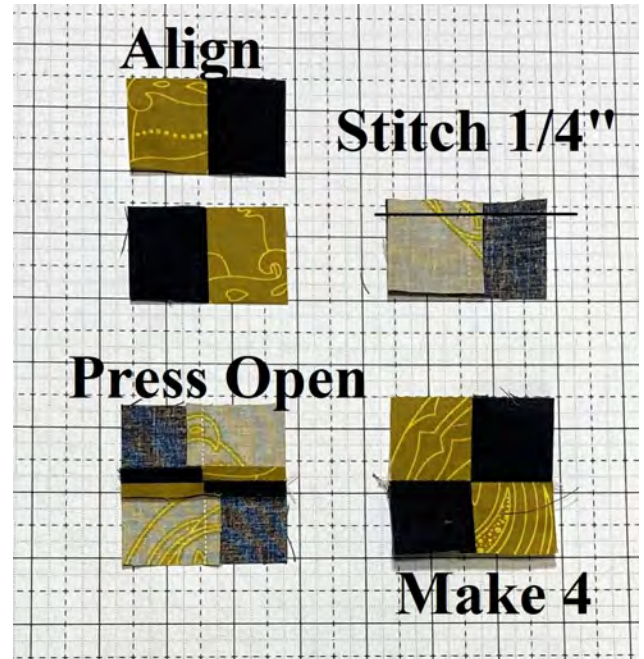

We will start with Strip Piecing some 2 Patch units. Place the Black and Yellow strips with right sides together. Align the raw edges and stitch a 1/4" seam along the long edge. Press the seam towards the dark fabric.

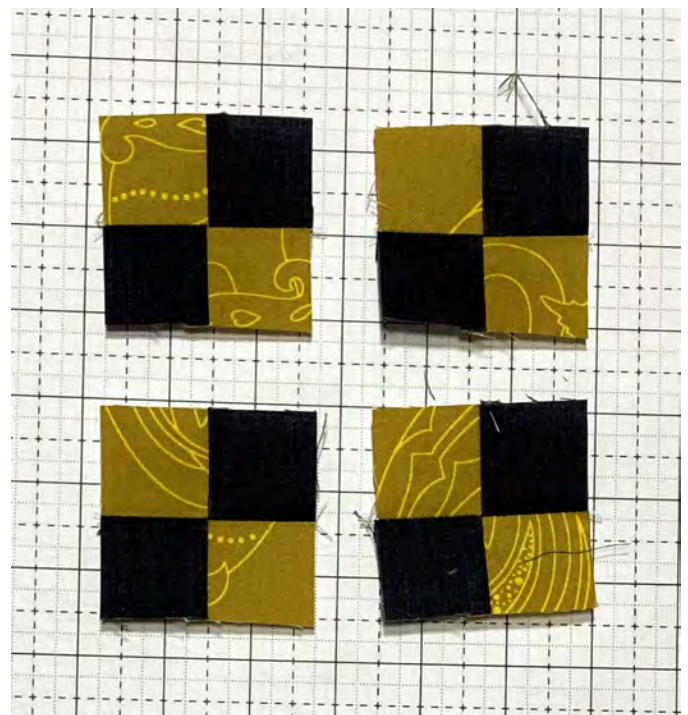

Now, place your strip set onto the cutting mat aligning the horizontal lines with the top and bottom of the strip set. Cut a straight edge. Then continue to measure in 1 1/2" and sub-cut 1 1/2" x 2 1/2" two patches. Cut 8 Two Patches total.

Now we are going to make 4 Four Patch units. To do this, simply place a Two Patch Unit onto a second Two Patch Unit with opposite squares aligning and right sides together. Align and Pin/Nest the center seam and stitch 1/4" seam. Press the seams open. Repeat to make 4 Four Patch Units total.

Layout the 4 Four Patch Units as shown below, taking note of the color placement.

Place the Units in the right hand column onto the Units on the left hand column with right sides together. Align and pin the seams and then stitch a 1/4" along the pinned edges.

And just like that, you have an adorable Little Checkerboard Block that should be measuring 4 1/2" x 4 1/2" unfinished.

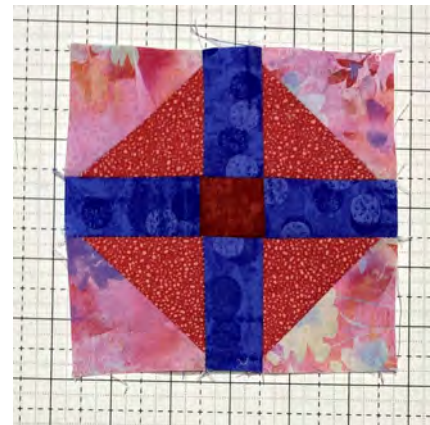

Press the seams open.

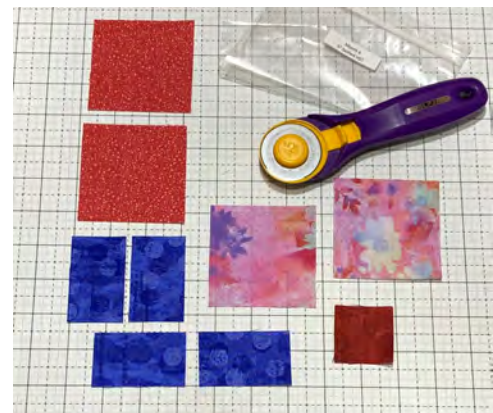

And now we get to move onto another familiar block, the . . .

Sashed Half Square Triangle Block

Place the top row onto the bottom row with right sides together. Align and pin the seams. Stitch a 1/4" seam along the pinned edge. Press the seam open.

From your Month #6, Sashed HST Bag, cut the fabrics according to page 1 of the supplemental cutting list. I cut my squares 3" instead of the 2.875" and will plan to trim the HST's.

Using the cut pieces and the [Sashed HST Block](#) [Directions from Month 2](#) make your block. The Sashed HST Block should be measuring 5 1/2" x 5 1/2" unfinished.

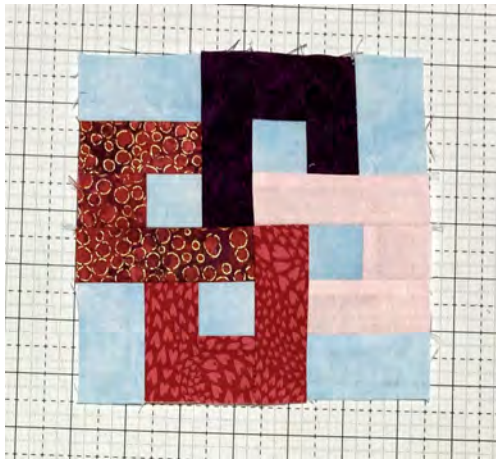

Using the cut pieces and the [Four Links Block](#) [Directions from Month 5](#), and taking care to watch the color placement, make your block. The Four Links Block should be measuring 6 1/2" x 6 1/2" unfinished.

From your Month #6, Courthouse Steps bag, cut the fabrics according to page 1 of the supplemental cutting list.

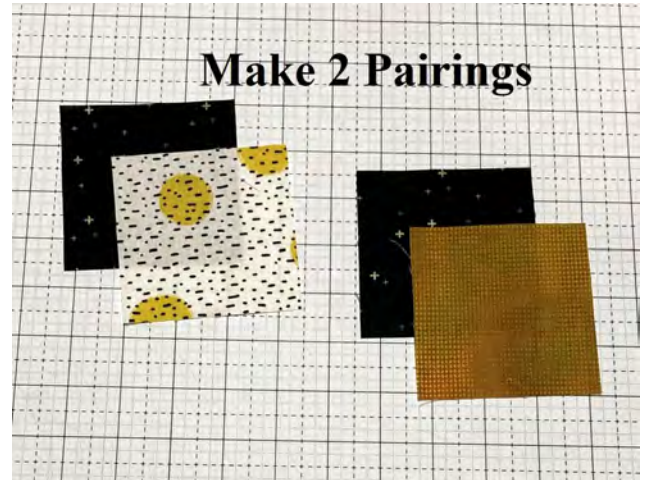

Using the cut pieces and the [Courthouse Steps Block Directions from Month 5](#), and taking care to watch the color placement, make your block. The Courthouse Steps Block should be measuring 8 1/2" x 8 1/2" unfinished.

Note - There are a Few Changes to the cutting, but no worries, you will still have plenty of Fabric :) From the Gold Print, cut (4) 2 1/2" x 2 1/2" squares and (1) 3 1/2" x 3 1/2" square. From the Blue print cut (1) 2 1/2" x 2 1/2" square. The Dark Print and Light Print are cut the same as listed.

Gather 2 Black 3 1/2" squares, a Light 3 1/2" square and a Gold 3 1/2" square. Pair them into two groups as shown below.

And now one last new block, the . . .

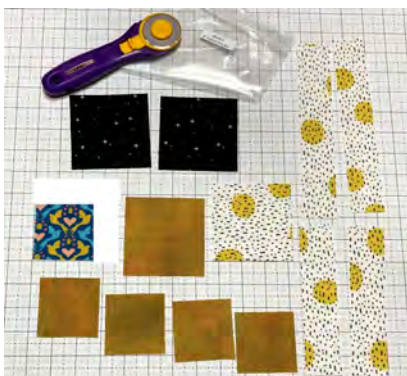

Framed Ohio Star Block

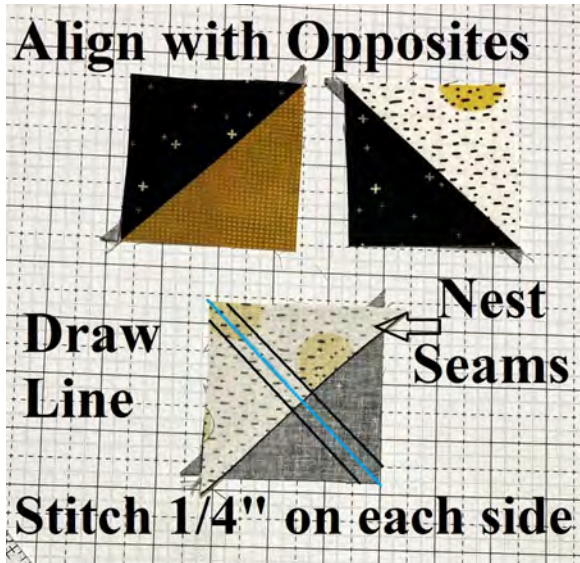

Using the paired Squares and the [Half Square Triangle Directions from Month 1](#) make 4 Half Square Triangles but do not trim them.

From your Month #6, Framed Ohio Star bag, cut the fabrics according to page 1 of the supplemental cutting list taking into account the following changes.

We will now turn the HST's into Quarter Square Triangles. Align two different HST's with the black triangles opposite as shown below. Place the Light HST onto the Gold HST with right sides together. Align and Nest the center seam. The Black Triangles should be on opposite sides. Draw a line diagonally from corner to corner on the opposite side of the seam. Sew a 1/4" seam on either side of the drawn line. Repeat for both sets of HST's.

Now cut on the drawn line of both sets. Press the seams open to create 4 Quarter Square Triangles. Using a 2 1/2" Square ruler, align the diagonal on the ruler with the diagonal seam and the center circle of the ruler with the center of the block. Trim the block to 2 1/2" square. Trim all 4 Quarter Square Triangle units.

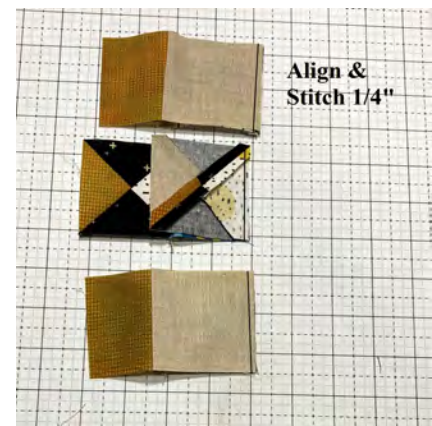

Layout the 4 Quarter Square Triangle units, 4 Gold 2 1/2" squares, and the 1 Blue Center square as shown below.

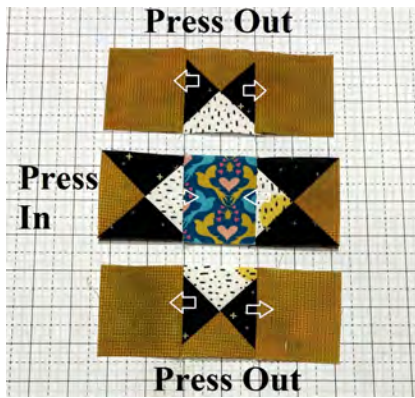

Place the units in the center column onto the units in the first column with right sides together. Align and Pin and then stitch a 1/4" seam along the 3 pinned edges.

Press the seams in the first and third row out towards the Gold squares. Press the seams in the second row in towards the Blue square.

Now layout, the 4 light rectangles around the Ohio Star Unit as shown.

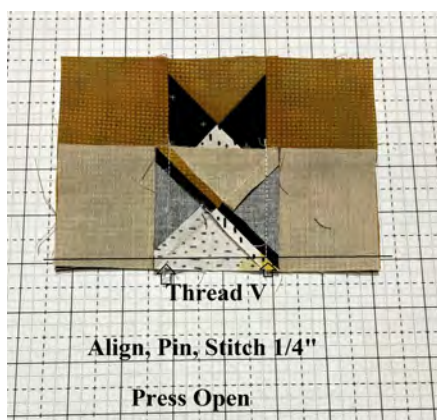

Now, place the First Row onto the Second Row with right sides together. Align and Pin the seams and then stitch a 1/4" seam along the pinned edge. When stitching, be sure to stitch directly along the bottom of the thread V's to give you perfect points.

Place the 2 short rectangles onto the sides of the Ohio Star Unit with right sides together. Align and stitch a 1/4" seam along the edges.

And now, place the Third Row onto the Second Row with right sides together. Align and Pin the seams and then stitch a 1/4" seam along the pinned edge catching the points of your thread V's. Press the last 2 seams open.

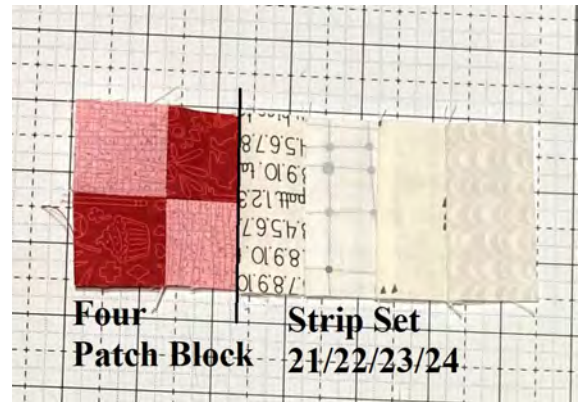

Press the seams outwards. Place the 2 longer rectangles onto the top and bottom of the pieced center square with right sides together. Align and stitch a 1/4" seam along the edges. Once again, Press the seams outwards.
