

So you have your Month 9 BOHO Heart Packet . . .  
Let's get started!!!

Using the cut pieces and the [Square in a Square Block Directions from Month 1](#) make your block.  
The Square in a Square Block should be measuring 2 1/2" x 2 1/2" unfinished.

We'll start with our first block of Month 9, the . . .

### Square in a Square Block

And with that done, we will move onto another familiar block, the . . .

### Four Patch Block

From your Month #9, Square in a Square bag, cut the fabrics according to page 2 of the supplemental cutting list.

From your Month #9, Four Patch Bag, cut the fabrics according to page 2 of the supplemental cutting list.

Using the cut pieces and the [Four Patch Block Directions from Month 2](#) make your block. The Four Patch Block should be measuring 2 1/2" x 2 1/2" unfinished.

And now we get to move onto some appliqué with the . . .

### Mini Circle Block

Using the cut pieces and the [Mini Circle Directions from Month 1](#) make your block. The Mini Circle Block should be measuring 2 1/2" x 2 1/2" unfinished.

And now were throwing it back to Month 6 with . . .

### Half Square Triangle Block

From your Month #9, Half Square Triangle bag, cut the fabrics according to page 2 of the supplemental cutting list. I cut my squares 3" instead of the 2.875" and will trim. \*\*\* Note - You might recall in Month 6 when I asked you to save the second Half Square Triangle Block . . . today is the day we are using it. So if you saved it, no need to cut new squares. If not, cut the squares as directed.

Using the cut squares and the [Half Square Triangle Block Directions from Month 1](#) make your 2 blocks and use one or simply trim your remaining block from Month 6. The Half Square Triangle Block will be measuring 2 1/2" x 2 1/2" unfinished.

And with that completed, we can move onto another simple piece block, the . . .

**Nine Patch Block**

From your Month #9, Nine Patch bag, cut the fabrics according to page 2 of the supplemental cutting list.

Layout the 9 small squares as shown below. Sew the squares into a 9 patch. If you need a little extra help with this, you can use the 9 patch part of the [Shoo Fly Block Directions from Month 4](#).

And your Nine Patch Block is done and should measure 3 1/2" x 3 1/2" unfinished.

And now we get to move back to some more appliqué with the . . .

**Wonky Flower Block**

From your Month #9, Wonky Flower Bag, cut the fabrics according to page 1 of the supplemental cutting list using the 3 Wonky Flower templates.

Using the cut pieces and the [Wonky Flower Directions from Month 1](#) make your block. The Wonky Flower Block should be measuring 4 1/2" x 4 1/2" unfinished.

And one last block with appliqué the . . .

### Medium Heart Block

From your Month #9, Medium Heart Bag, cut the fabrics according to page 1 of the supplemental cutting list using the Medium Flower template.

Using the cut pieces and the [Mini Heart Block Directions from Month 3](#) make your block. The directions are the same, only the block is made on a larger scale. The Medium Heart Block should be measuring 4 1/2" x 4 1/2" unfinished.

And with that done, we will move onto another familiar block, the . . .

### Flying Geese Block

From your Month #9, Flying Geese Bag, cut the fabrics according to page 1 of the supplemental cutting list.

Using the cut pieces and the [Flying Geese Directions from Month 4](#) make your block. The Flying Geese Block should be measuring 4 1/2" x 4 1/2" unfinished.

And now we move onto a new block with familiar units, the ...

**Plus with a Square in a Square Block**

From your Month #9, Plus with a Square in a Square Bag, cut the fabrics according to page 1 of the supplemental cutting list.

Using the Yellow square and 4 small Green Squares and the [Square in a Square Block Directions from Month 1](#) make your Square in a Square Unit and set it aside.

Now, layout the remaining squares and the Square in a Square Unit as shown below. Sew the squares into a 9 patch. If you need a little extra help with this, you can use the 9 patch part of the [Shoo Fly Block Directions from Month 4](#).

And just like that, your Plus with a Square in a Square Block is done and should measure 6 1/2" x 6 1/2" unfinished.

And now it's time for an all new block, the . . .

### Fancy Log Cabin Block

From your Month #9, Fancy Log Cabin bag, cut the fabrics according to page 1 of the supplemental cutting list.

Pair a Cream Square with a Yellow Square. Place the Yellow square onto the Cream square with right sides together. Stitch a 1/4" along the edge. Press the seams towards the Yellow Fabrics. Repeat to make a total of 4 Two Patch units.

Layout a Cream Rectangle, Pink Rectangle, and Two Patch Unit as shown. Place the Pink rectangle onto the Two Patch Units with right sides together. Stitch a 1/4" along the edge. Place the Cream rectangle onto the Two Patch Units with right sides together. Stitch a 1/4" along the edge. Press the seams outwards to the Rectangles. Repeat to make a total of 4 Four Patch units.

Layout a Four Patch Unit and a Blue Rectangle as shown. Place the Blue Rectangle onto the Four Patch Units with right sides together. Stitch a 1/4" along the edge. Press the seams towards the Blue rectangle. Repeat to make a total of 4 Log Cabin units.

Press the seams open.

Place the top row onto the bottom row with right sides together. Align and pin. Stitch a 1/4" seam along the edge of the unit. Press the seam open.

Layout the 4 Log Cabin Units as shown below.

Place the right hand column pieces onto the left hand column pieces with right sides together. Align and pin. Stitch a 1/4" seam along the edge of all the units.

And now you have made a Fancy Log Cabin Block that should be measuring 6 1/2" x 6 1/2" unfinished.

And now it's time for the final block which is again, a new block, the . . .

### Fancy Pinwheel Block

From your Month #9, Fancy Pinwheel bag, cut the fabrics according to page 1 of the supplemental cutting list. And please take care that these are some different size measurements than we have been used to cutting and when it says 3/8" it really means 3/8".

Layout a Blue triangle and Red rectangle as shown below. Place the Blue Triangle onto the Red rectangle with right sides together aligning along the left hand side. Stitch a 1/4" along the edge; I continue stitch all the way across the red rectangle so I can chain stitch. Press the seam towards the Blue triangle. Align a long ruler with the edge of

the Blue Triangle and trim the Red rectangle even with the Blue Triangle as shown.

Repeat to make a total of 4 Sashed Triangle units.

Layout an Orange triangle and a Teal Triangle as shown below, taking care that the Orange triangle is on the left. Place the Teal Triangle onto the Orange Triangle with right sides together. Stitch a 1/4" along the edge. Press the seam towards the Orange Triangle. Clip the tail from the top of the triangle. Repeat to make a total of 4 Double Triangle units.

Layout a Sashed Triangle Unit and a Double Triangle Unit as shown below. Place the Double Triangle Unit onto the Sashed Triangle Unit with right sides together. Stitch a 1/4" along the edge. Press the seam open. Clip the tails from the corners of the unit. Repeat to make a total of 4 Pinwheel units.

Press the seams open.

Place the top row onto the bottom row with right sides together. Align and pin, using the [Pin Trick](#) to align the center seam. Stitch a 1/4" seam along the edge of the unit. Press the seam open.

Layout the 4 Pinwheel Units as shown below.

And now you have made a Fancy Pinwheel Block that should be measuring 10 1/2" x 10 1/2" unfinished.

Place the right hand column pieces onto the left hand column pieces with right sides together. Align and pin. Stitch a 1/4" seam along the edge of all the units.

So now, with your blocks all made, we can move onto . . .
