

## Gypsy Wife by Jen Kingwell

## Month 11

## General Tips:

1. When following the book, an accurate  $\frac{1}{4}$ " seam is needed. Check you seams to make sure they are  $\frac{1}{4}$ " and if the  $\frac{1}{4}$ " is off, adjust before proceeding. Also be careful to make accurate diagonal cuts when instructed.
2. If you follow the instructions in the book, you are cutting on a bias edge. I suggest using starch to reduce the stretching.
3. Some of the fabrics had more shrinkage than others so I suggest preshrinking all the fabric. I do this by spraying the fabric completely with Best Press but you could also use water. I use Best Press since it also helps with the bias edges.

**Square in a Sq w/Pinwheel Centre Block:**

5" finished

1. Take a 3" pinwheel (2 1/2" finished) from previous month to be the center.
2. Add side borders.
3. Add top and bottom borders.
4. Add triangles to opposite sides.
5. Add remaining triangles to the remaining sides.
