To help in cutting the correct sizes for this quilt you will want to mark your pattern for the LARGE QUILT NON-KALEIDOSCOPE VERSION Highlighting the version you will be using or covering or marking over the versions not used for this quilt so that you do not mis-cut your fabrics

The instructions you will be following for Month #1 are on page 10, 2 feature Fabrics F1 & F2 Version, Large Quilt

This program is set up for you to save fabrics to be used in future months.  
Make sure to save unused fabrics.
