

TEXAS OUR TEXAS 2023 PRE-CUT

Month #1

TEXAS LETTERS
Block #1

LETTERS BACKGROUND

TOP STRIP - 33" X 10"

SIDE STRIP - 60" X 10"

*****You have been sent the full length needed for each strip.*****

Do not cut the 60" side strip off because the extra length will be needed for Month #2.

You will not have to sew the extra 18" piece on that the pattern mentions in Month #2.

You will need to appliqué the Armadillo in block #2 onto the bottom of the 60" strip. You can refer to the Construction Layout sheet in the pattern to figure out the placement of the Armadillo to get the correct length. You may need to trim it a little.
